

## Printing PTS ID's

### Print Quantity:

- Select arrow to increase or decrease the number of tags printed
- Tags created be for a different asset with identical record information.
- Each tag will have a different PTS ID with its own record and same BOM.

### Duplicates:

- Change the quantity to print identical tags
- Tags created will have the same PTS ID's
- No additional online records will be created
- Each tag will have the same PTS ID.
